EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lenny R. Jiang on September 16, 2005.

2. The application has been amended as follows:

In the claims:

Claim 9, line 6: "symbol;" has been changed to "symbol; and"; line 9: "accommodated" has been changed to "accommodated by said applying weighting to the one or more correction values and said deciding the order of priority for the one or more correction values"

Claim 13, line 2: "said adding signals process inputs" has been changed to "said delaying and adding signals input".

Claim 14, line 3 & Claim 16, line 3: "said adding process" has been changed to "said delaying and adding".

Claim 15, line 4: "said adding process inputs" has been changed to "said delaying and adding input".

3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest, alone or in a combination, among other things, at least a demodulator for a mobile phone and its method as a whole, the combination of elements and features, which includes a received error rate improving means improving a received error rate by weighing difference of symbols before and after a current symbol to be demodulated; a weighting means applying weighting to one or more correction values provided from an external loop; and a deciding means deciding an order of priority for the one or more weighted correction values.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Edith M. Chang whose telephone number is 571-272-3041. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jay K. Patel can be reached on 571-272-2988. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
